

Taupō District Council
Taupō Ward
Electing 7 Councillors

Daniel GRAY

My principal place of residence is in the Taupō Ward area.

My name is Daniel Gray also known as Danny. I am standing for Council as I believe in accountability, transparency, and honesty within Council. If elected I will be your voice and

advocate, taking your concerns and ideas to Council to be appropriately dealt with. I believe in stronger rate-payer input including community meetings to hear what you have to say, and for Council to update you on important issues. I understand the importance of Council supporting sports clubs and organizations and I also have a strong interest implementing youth centered programmes.

I believe Taupō is the best town in NZ to live in, acknowledging however that it also shares in the difficult times currently forced on us, mostly by Central Government legislation and policy. The skills of a Councillor calls for exceptional experienced business-minded people, not politicians.
