Kevin TAYLOR

Independent

My principal place of residence is in the Taupō Ward area.

Serving Taupō these last 3 years has been a challenge and a privilege. It is my desire to continue that service. Prior to this I spent 44+ years in Police, in a variety of senior roles.

Married to Raewyn for 38 years we have 5 adult children and twin grandchildren. We've lived in Taupō for 30 years. This is our home. I continue to be involved in community service through the Awhina Society, Women's refuge and Community Foodbank and Search & Rescue. My interests include mountain biking, outdoor pursuits and classic motorcycles. I look forward to being of service to the Taupō District over the next 3 years.
