Electing 7 Councillors

Anna PARK

Independent

My principal place of residence is in the Taupō Ward area.

I'm a dedicated councillor with a clear vision on how we can continue to make our district a great place to live, work and play.

My family has a long association with this area and I want to be back at the council table to contribute ideas that will keep stimulating growth & prosperity.

I want to ensure our ageing population, as well as our future generations, have access to facilities and infrastructure that will be sustainable into the long-term.

I have a sound understanding of all aspects of local government including strategic planning, governance and policy development. I'm passionate about our district and what we can achieve.

We need continued strong vision and leadership. We need to have balanced and trusting relationships between council, business, youth and community groups.

Let's keep building a vibrant local economy, let's keep working together, and let's keep Taupō moving forward.
