

Taupō District Council
Taupō Ward
Electing 7 Councillors

Daniel YOUNG

My principal place of residence is in the Taupō Ward area.

Taupō has been my family's home for over 18 years now (married with 3 children). For 13 years I have worked in central government, currently as a Work Broker - helping connect people to employment. Some of my time over the last 2 years has been supporting businesses to deal with the pressures of COVID19 in an ever-changing working environment.

I connect with iwi/hapū, community organisations, as well as businesses for employment, with a proven record of trust and respect. I know how policies work and how to implement them. I have a passion for working with youth, both in work, as a volunteer basketball coach, and church.

Working with a wide range of people in our wonderful town (on projects, programmes, and initiatives) has given me an appreciation of what our community needs and what can be improved.

I look forward to being your council representative should you elect me.
