Determination at Taupo on 7 July 2021

DECISION OF THE TAUPO DISTRICT LICENSING COMMITTEE

The Application

This is an application by **Zeroclass Limited** for an On-Site Special Licence pursuant to Section 138 of the Sale and Supply of Alcohol Act 2012 for the **Winter Drift Matsuri/ Spring Drift Matsuri**. It was formally received by the Taupō District Licensing Committee on 11th June 2021.

Reasons for the Decision

The applicant is a suitable entity to hold a Special Licence and a certificated manager will oversee the sale, supply and consumption of alcohol.

However, we note with some concern the extensive hours sought by the applicant. They will be granted but we expect overt supervision and monitoring of intoxication levels at all times. Service size is to be reduced and/or the bars shut if patrons appear to be becoming intoxicated.

The reports of the Police and the Medical Officer of Health do not oppose this application.

The Decision

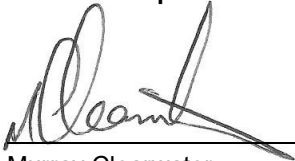

I am satisfied that the criteria of Section 142 of the Sale and Supply of Alcohol Act 2012 have been satisfactorily addressed by the applicant and the licence may issue subject to the following conditions:

1. Alcohol may be sold and supplied for consumption on the premises only on the following days and hours: **Saturday 10 & Sunday 11 July 2021 from 11.00am to 7.30pm on both days (Winter Drift Matsuri); and Saturday 6 & Sunday 7 November 2021 from 11.00am to 7.30pm on both days (Spring Drift Matsuri).**
2. **Both bar areas are designated as Supervised Areas.**
3. **Servings of alcohol will be limited to four drinks per person at any one time.**
4. **Only Beer, RTD's and Cider will be available for sale at the event, no Spirits or Wine are to be sold.**
5. Drinking water is to be provided to patrons free of charge from a water supply prominently situated on the premises.
6. A certificated manager must be on duty at all times, within the licensed area, when the premises are open for the sale and supply of alcohol and their full name must be on a sign prominently displayed.

7. Food must be available for consumption on the premises at all times the premises are open for the sale and supply of alcohol, in accordance with the sample menu supplied with the application for this licence, or menu variations of a similar range and standard.
8. The licensee must have available for consumption on the premises, at all times when the premises are open for the sale and supply of alcohol, a reasonable range of non-alcoholic and low-alcohol beverages.
9. The Licensee must display signage as follows:
 - a. At every point of sale detailing restrictions on the sale and supply of alcohol to minors and intoxicated persons,
 - b. A copy of the licence attached to the premises so as to be easily read by persons attending the premises,
 - c. A sign prominently displayed at the premises, which identifies by name the manager for the time being on duty,
 - d. The licensee must provide information and advice about forms of transport available to patrons from the licensed premises.
